Essential Kit:

Swimsuit / Towel / Swimming hat.

Goggles can be brought if the child wishes.

Flip-flops are NOT needed.

Please note:-

- Everything must have a name on.
- Swimming kits should be brought in a sports bag, *not* a plastic bag.
- P.E. kits to be worn on swimming day. Children do not need to wear their shorts under their trousers.
- NO FOOD to be brought to school by children. All children will be given a snack on their return to school.

As you can appreciate, it is difficult to dress and undress 25 children and make sure everything goes home in the correct bag – even with three adults to help. Please assist us by naming everything and if your child comes home with someone else's possession, please return it so that we can give it to its owner.

You are welcome to come and watch the children swim and more than welcome to come and help them change! However, please note that parents can not use the school bus to travel to and from the pool, they must meet the class there. Also, children can not be picked up from the swimming pool. They must return to school.

Thank you for your help.
